If midweek dates commencing at an appropriate time cannot be offered then at least two weekend dates must be offered.
- b. Weekend dates when County Premier or A team matches are scheduled may be rejected by the away team. In such a case an alternative weekend or midweek date (as appropriate) must be offered. 4. Fixture List

Both Clubs shall be responsible for notifying the Knockout Cup Organiser of the dates of Knockout Cup fixtures once they are arranged using Fixture Form WSC-FIX01.

5. Match Format

- g. The winning team must send the Match Result Form to the League and Knockout Cup Secretary within four days. The form must be fully completed and signed by both captains.

6. Uncompleted Matches

Should a match be started and be unable to be completed for reasons outside the control of either Club the following will apply:

- i. if the aggregate of both mats is 20 or fewer ends that have been completed the match will be re-arranged and replayed as a new match. A revised date for the match shall be arranged to enable the match to be played prior to the closing date for the round. This revised date shall be notified to the League and Knockout Cup Organiser within 14 days of the date of the incomplete match.
- ii. if the aggregate of both mats is 21 ends or more that have been played the match will be considered as completed and the score will stand.

7. Re-arrangement of Matches

- a. Should it become necessary, and in exceptional circumstances only, a match may be re-arranged subject to the agreement of the League and Knock Out Cup Secretary.
- b. Exceptional circumstances are defined as:
 - i. The non-availability of the venue over which the Club has no control.
 - ii. The precedence of a higher-level competition i.e. Inter County
 - iii. A shortage of players due to illness or accident
- c. Should a match have to be re-arranged the Club responsible for the non-fulfilment must in advance give a written explanation (or if less than 48 hours before the match a verbal notification followed by a written one) to the League and Knockout Cup Secretary as to why the match had to be re-arranged. They should then contact the opposition to arrange a revised date. Clubs should be aware that when a postponement is requested due to 'lack of players' the League and KO Cup Secretary will request from the Club details of why each of their registered players is unable to play on that particular date. This is to enable the Management Committee to be in full possession of facts in order to decide if 'exceptional circumstances' apply. This revised date shall be notified to the League and Knockout Cup Organiser within 14 days of the date that the re-arrangement was notified.

When seeking to arrange a revised date, all possible dates shall be explored, including weekends, different evenings and where possible different weekdays. Dates where League matches are

already arranged are not acceptable dates and a mixture of up to 10 different dates should be considered if necessary. Unlike original dates offered the opposition's views must be fully considered as they are the 'non-guilty' party in such instances but once 10 varied dates have been offered, they are required to accept one of these dates offered within the timescale detailed below.

- d. This revised date when arranged, shall be notified to the League and KO Cup Secretary, by both Clubs, within 14 days of the decision to re-arrange the match. Where teams are unable to agree on a date for the rearranged match, both teams shall notify the League and KO Cup Secretary in writing within seven days giving reasons why they are unable to agree on a revised date. The matter will then be discussed by the League and KO Cup Secretary with members of the Management Committee who shall decide upon a date and, if necessary, a venue after hearing representations from both Clubs. This decision will be binding on both teams.
- e. The Club responsible for the non-fulfilment of any match must meet any costs incurred for the original match arrangements. All non-fulfilled matches must be re-arranged to be completed within the published timescale. A match can only be conceded with the specific agreement of the League and KO Cup Secretary.
- f. The reasons for any re-arrangement of a match will be subject to review by the County Management Committee and action may be taken against the Club responsible for the non-fulfilment.
