

Travelling Expenses for ICC & NQ Competitions

WSCSMBA normally subsidise the ICC teams for journeys to the KO stages at Daventry / Solihull or wherever it may be in the future.

We have in the past made exceptional grants to players in the Nationals based on requests and exceptional circumstances.

There is nothing in the rules about it and it is a matter for the Management Committee to decide.

For the Nationals we would normally expect that players have considered this before entering.

We believe some Clubs may also have subsidised their players in the past.
