

Order of Play with a player missing in a Four

Team A = Four players

Team B = Three players

Team A win an end then the order of play is:

Team A lead, **Team B** lead, **Team A** second followed by **Team A** lead, **Team B** lead, **Team A** second then the three's and skips play their woods as normal.

Team of Three win an end the order is:

Team B lead, **Team A** lead, **Team A** second followed by **Team B** lead, **Team A** lead, **Team A** second then the three's and skips as normal.

This is on page 25 of the ESMBA's Laws of the Game booklet item 10.

It also states

" . . . there will be no penalty or extra bowls played by the side with the player missing . . . "
