

RIP Ann Scoles

21-Jan-2024: Ann Scholes passed away having recently been diagnosed with dementia. Ann had been a member of Cowfold Bowls Club since 1999. A lovely non nonsense lady, fiercely independent*, and very active in the local community of Partridge Green & Henfield.

**Ann would catch the bus from Henfield to Cowfold and back to play roll-up!*

Another great personality lost, who will be missed by all who knew her.

Condolences to Ann's family.
