

**RIP Peter Watters** (*pic courtesy FB page*)

9-Oct-2024: Peter Watters a member of Bognor Goodwoods SMBC passed away after a long struggle with COPD. Peter had been a long serving member with the club, and formidable lead. He served on the clubs committee, and represented the County at B team level.

Peter was instrumental in the County drawing up a policy for players with a disability, visible or non-visible, which made competitive bowls inclusive for those with a disability.

A great character who will be missed by all who knew him. Condolences to Peta and Family.
