

**Peter Winter (RIP 7-June-2025)**

With great sadness I must report the passing of our County President **Peter Winter**.

Peter chaired the County Management Committee for many years and he also served on ESMBA's Management Committee.

Peter earned honorary Life Membership with the ESMBA for his contributions to Short Mat bowls. He also played for County at the highest level.

Peter's County honours included singles title twice, a triples title, and a fours title.

Our thoughts are with Muriel, family, and our friends at Lavant SMBC.
